Discussion of new TPSC Parcels

Parcel 074 0053 0000 [Pine Tree Trail]

This parcel was previous listed as owned by the town and controlled by the TPSC. The committee agreed to sell the parcel in 2015. During the due diligence phase of the sales process, the town's legal representative discovered that the 1995 foreclosure process was not completed and therefore the town did not if fact own the parcel.

Parcel 074 0187 0000

This parcel is new to the TPSC.
