Beware of scammers pretending to be from social security

By Marilenin Vasquez
Social Security Public Affairs Specialist in Lawrence, Massachusetts

In the digital age, frauds and scams are an unfortunate part of doing business online. During the holiday season, Social Security has traditionally seen a spike in phishing scams, and we want to protect you as best we can. We urge you to always be cautious and to avoid providing sensitive information such as your Social Security Number (SSN) or bank account information to unknown individuals over the phone or internet. If you receive a call and aren’t expecting one, you must be extra careful. You can always get the caller’s information, hang up, and — if you do need more clarification — contact the official phone number of the business or agency that the caller claims to represent. Never reveal personal data to a stranger who called you. Please take note; there’s a scam going around right now. You might receive a call from someone claiming to be from Social Security or another agency. Calls can even display the 1-800-772-1213, Social Security’s national customer service number, as the incoming number on your caller ID. In some cases, the caller states that Social Security does not have all of your personal information, such as your Social Security number (SSN), on file. Other callers claim Social Security needs additional information so the agency can increase your benefit payment, or that Social Security will terminate your benefits if they do not confirm your information. This appears to be a widespread issue, as reports have come from people across the country. These calls are not from Social Security. Callers sometimes state that your Social Security number is at risk of being deactivated or deleted. The caller then asks you to provide a phone number to resolve the issue. People should be aware the scheme’s details may vary; however, you should avoid engaging with the caller or calling the number provided, as the caller might attempt to acquire personal information. Social Security employees occasionally contact people by telephone for customer-service purposes. In only a few special situations, such as when you have business pending with us, a Social Security employee may request the person confirm personal information over the phone. Social Security employees will never threaten you or promise a Social Security benefit approval or increase in exchange for information. In those cases, the call is fraudulent, and you should just hang up. If you receive these calls, please report the information to the Office of the Inspector General at 1-800-269-0271 or online at oig.ssa.gov/report.

Remember, only call official phone numbers and use secured websites of the agencies and businesses you know are correct. Protecting your information is an important part of Social Security’s mission to secure today and tomorrow.
DIRECORS MESSAGE:

Welcome to the Cameron Senior Center:

We are pleased to be sending this edition of our January/February newsletter to 426 new potential center participants who will be turning age 60 in 2019. It is our hope that you will learn about the many programs and services that are available to you.

Consider coming to the Cameron to join us and take advantage of many enriching opportunities as well as services that can help support and/or compliment your daily life. The Cameron offers a very vibrant and friendly community which is made up of a varied socio-economic population and to ensure all residents participation we try hard to keep our center offerings free or at a low cost.

Also, throughout the year, the Cameron offers seasonal events that enhance many of our daily activities and often “trod a different path,” of what one perhaps might expect at a senior center. So, visit us and let a staff member give you a tour and answer questions you may have about our transportation program, social services, volunteer opportunities and so much more.

Always welcome,
Jennifer Claro
Cameron Senior Center
Director

ADDITIONAL PARKING FOR WINTER MONTHS
THANKS TO THE FRANCO CLUB

The Board of Selectmen recently approved a Memorandum of Understanding between the Cameron Senior Center and the Franco American Club for additional parking during inclement weather and special events. This agreement will allow center participants the needed parking to attend programs and/or events at the center when parking is not available, especially after a heavy snowfall. Important to making this convenient to our participants, a COA van will be available to provide a shuttle to and from the Franco and Cameron. We ask that you give us a thirty-minute notice prior to leaving your home to ensure a timely shuttle.

To schedule a shuttle ride please call 978-692-5523.

SUPPORT THE CAMERON – VOLUNTEER!
The Cameron Senior Center relies on Friends volunteers to help run many programs at the center. Not only does the Friends organization raise funds – but we also lend service to help support the wide array of programs, activities and events available to seniors at the Cameron.

As people age or move away, we lose volunteers – and right now, we are facing a shortage of ‘senior-power.’ We are also facing a dilemma of how to offset higher expenses, provide expanded services and additional programs at the Cameron, without compromising quality and affordability. In short, we need to maximize our effectiveness, increase our revenues and grow our membership.

Additional volunteers can help solve these problems, enabling the Friends to continue providing a level of service that will meet future needs. No matter your talents, we can use your skills, expertise, ideas and energy. Being a Friends volunteer offers a great opportunity to meet and work with others, help the CSC, make new friends, have fun, and improve the quality of life for Westford seniors. Volunteer and make a difference!

SPECIAL THANKS
A very BIG thank you to the “crafty ladies” who made our fundraising efforts at Nashoba Tech’s Craft Fair and Westford Academy’s Holiday Bazaar possible. The Quilting Club created fabulous microwave bowls (a sell-out!), decorative wall hangings, table runners, chef aprons, and more. Busy Fingers’ volunteers created hats, scarves, sweaters, mittens, potholders, towels, afghans, and more. What talent!

Also, special thanks to all those who lugged boxes, helped set-up, sold merchandise, and cleaned-up at these two craft fairs plus the untold volunteers who contributed to this year’s week-long Christmas/Holiday Boutique. This was a monumental effort! We received compliments from start to finish. Visitors to all this year’s holiday events were impressed with the overall quality and variety of affordable gifts for home, family and friends – and expressed their pleasure and delight with their purchases. These labors of love were well-regarded, highly successful and they helped raise needed funds for the Cameron. Hat’s off to you all!

WANTED!

New ideas welcomed – YOU can make a difference!
2018 Income Tax Help

Hal Schreiber, our volunteer tax expert, will be back this year to complete your 2018 federal and state income tax returns. Due to the large number of tax returns being prepared at the Senior Center, Dick Severyn will also be back to assist Hal. This is a free service sponsored by your Senior Center and there are no age or income limits. Please call the Senior Center at 978-692-5523 to schedule an appointment. Hal has all the federal and state tax forms that are needed to be filled out – you do not need to bring any blank tax forms with you.

What to bring with you:

- Your 2017 federal and state tax returns
- Form MA 1099-HC. It is very important to bring this form since the insurance company’s name, tax identification number, and your subscriber number has been entered on your Massachusetts tax return.
- Form 1095-A, Form 1095-B, Form 1095-C (they pertain to health insurance). If you received any of these forms, it is very important to bring them with you.
- W-2s, SSA-1099s, 1099s (DIV, INT, B, G, MISC, etc.), Schedule K-1s, 1098s, etc
- The amount and date of any federal and state estimated tax payments you made for 2018.
- If you pay rent for your main residence, bring the amount you paid in 2018 (some or all is deductible on your Massachusetts tax return).
- All property tax bills you paid in calendar year 2018 for property not located in Westford.
- If you or your spouse is age 65 or older and your main residence is not located in Westford - all water/sewer bills you paid in calendar year 2018.
- Car, boat, personal property excise tax bills that you paid in 2018.
- If you sold any stock or bonds - the date you bought the stock or bond and the amount you paid for them (that information may have been provided as supplemental or additional information that comes with the Form 1099-B that you received).
- If you have any mutual funds - any information provided by the mutual fund concerning how much of the dividends are exempt from state income tax or are from federal or state obligations. If you sold any mutual fund shares - the date and what you paid for the shares (that information may have been provided as supplemental or additional information that comes with the Form 1099-B that you received).
- Medical and Dental expenses – total your co-pays and deductibles for all your prescription drugs, doctor, dentist, hospital visits, etc. Include hearing aids and eyeglasses. Add up the car mileage to get prescription drugs or go to the doctor, dentist, hospital, etc. List any health insurance premiums, long term care premiums, and Medicare premiums separately since they need to be reported separately.
- Charitable contributions - total your cash/check/credit card contributions (do not include any political contributions). For property contributions - the date of the contribution, estimated fair market value of the property, and the name and address of the charity receiving the property. If you donated a car, it is very important that you bring the paperwork/form you received from the charity.

2018 Circuit Breaker

The Circuit Breaker is a method for refunding some of the property taxes or some of the rent that you paid in calendar year 2018 for the home that you lived in as your main home. The amount of the refund (if any at all), up to the maximum allowed for the year ($1,100 for 2018), depends upon the amount of property tax or rent paid in comparison to your total income. A portion of any water or sewer charges that you paid in the calendar 2018 can be added to your property tax for computing the amount of the refund. Your main home can be a single-family residence, a multiple family residence, a condominium, or an apartment. However, you are not eligible for the refund if you rent a home from the Housing Authority, or from any other tax-exempt entity, or receive any federal or state subsidy. If you own the home, the home’s assessed value, as of 1 Jan 2018, must be less than $778,001.

The refund is available for those who are age 65 or older (if married, only one spouse needs to meet the age requirement) and whose total income for 2018 is less than $88,001 (married filing a joint tax return); $73,001 (filing a head of household tax return); and $58,001 (filing a single tax return). The refund is not available if you are filing a married separate tax return. To obtain the refund, you need to file a Massachusetts tax return even if your total income is zero.

Homes that are owned by a trust:

If your main home is owned by a revocable (grantor) trust and you are a trustee, then you are treated as the home owner.

If your main home is owned by a revocable (grantor) trust and you are not a trustee, then you are treated as a renter.

If your main home is owned by an irrevocable trust, then you are treated as a renter.

From Nov. 1st until April 1st you may apply for these exemptions through the Assessor’s Office and if you need assistance completing the applications Annette, the Outreach Coordinator can assist you. For more information contact Annette at 978-399-2326 or the Assessor’s office at 978-692-5504.

SNOW REMOVAL
As the cooler weather approaches we all begin to think about preparing for the winter. Many folks ask if we know of people who can help with snow removal. Unfortunately, this is one of the hardest needs to find services for. There are several snow plow companies in the area and we create a list every year with their contact information however we do not endorse any of the companies. Other options are to check with your church, the local classifieds and your neighbors. If you would like to discuss this further, please call Annette at 978-399-2326.

COMMITTEE TEAMWORK MEETINGS- ALL WELCOME!
Come learn about Community Teamwork (also referred to as CTI), a non-profit community action agency which provides a wide range of programs, social services, and advocacy to assist low income residents of Westford and surrounding towns. A representative from their Resource Center will be here at the Cameron periodically to meet with interested residents. Call Alison at 978-399-2325 or Annette at 978-399-2326 for an appointment. We can also help with renewal applications and questions about the program.

HOME SHARING
We hear from many seniors who are struggling to afford their property taxes, mortgage payments, and household expenses. We also hear from seniors who are looking for a rental situation they can afford in Westford. Perhaps a homeowner wants to remain in their home and can’t afford the help they need to do so. Would a roommate/helper who performs household tasks in exchange for a room solve two problems? Perhaps two roommates sharing the costs of household bills would help with financial issues and social needs. We have a new space on the welcome area bulletin board for interested parties to post ads to each other. COA/Senior Center staff will not be endorsing any of these housing options or doing background checks on individuals, so participants should do thorough reviews/reference checks of home options and potential roommates. If you need more information about home sharing or housing options, see Alison or Annette.

FUEL ASSISTANCE (LIHEAP) APPLICATIONS
Are you struggling to pay high heating bills? If you are a previous LIHEAP recipient and received a renewal application in the mail from CTI, complete it as soon as possible. Gross annual income limits for this season are $35,510 for 1-person and $46,437 for 2-person households. If you would like to apply for fuel assistance for the first time this year, Call Alison at 978-399-2325 or Annette at 978-399-2326 for an appointment. We can also help with renewal applications and questions about the program.

Katie Russell, Senior Assistant who helps organize this programs states, “If we did not have our sponsors from the community and many volunteers this program would be very difficult to administer.” Also, this year Representative Jim Arciero Sun Santa/ Toys for Tots fundraiser really helped meet many children’s un-met gift request.
