**What is Westford Cultural Council?**
If you attended the Westford Chamber Players concert at the Cameron Senior Center this past November, then you’ve experienced one of the many programs funded in part of the Westford Cultural Council. The Council is responsible for disbursing funds received from the Massachusetts Cultural Council (MCC) to the local cultural and artists activities. Each year, the Council reviews proposals and grants funds to local applications for a variety of projects that benefit Westford citizens. The funding for the community-based projects in the arts, sciences, and humanities is appropriated annually by the State legislature.

Be Heard! You can help determine funding priorities for 2019-2020!
MCC requires the Westford Cultural Council to set its annual funding priorities before the start of each year’s grant cycle in September. We’re looking for Westford residents of all ages to help us set our priorities for the 2019-2020 grant cycle, and we’re looking to learn more about the community we serve. You can help by filling out a paper copy of the Westford Cultural Council Community Input Survey:2019, available at the Cameron Senior Center. You can also fill the survey out online at: [https://goo.gl/forms/0OLeKlgScgwPrW02](https://goo.gl/forms/0OLeKlgScgwPrW02)

Water Refill Station coming soon thanks to Sustainable Westford… (New at the Cameron)
The Cameron is excited to have the opportunity to obtain a water refill station with the funding support from Sustainable Westford. Replacing the water bubbler located in our multi-purpose room will easily save our center $1000 annually, reduce administrative costs and equally important contribute to the Cameron’s effort to be more environmentally-friendly.

We are expecting our last shipment of ten five gallon bottles of water on April 29th and once these bottles are used the bubbler will be removed and you will find our new refill station in place of our water fountain near the stairs in the lobby entrance area. This refill station will also provide hot water for our tea drinkers so know more hot water flavored like coffee. Also, there will be a safety lock on the hot water to ensure safety of all ages that utilize the center. So please bring your own water and/or water bottle from home and fill up your water bottle as much as you need. Also, in line with supporting the recycling efforts in Town we hope to purchase an ice machine soon, so we can provide cold pitcher(s) of water for our meal events, exercise classes and other programs.

PS- Your COA staff hopes to see many of our volunteers sporting their specially made water bottle around the Cameron that all received as a thank you gift at our recent Volunteer Appreciation Luncheon held on April 17th. For those volunteers who were not able to attend the luncheon please stop by the front desk to receive your water bottle.

We hope you will stop by and visit us at the Cameron for some socialization, volunteering or one of our many exciting programs. If you are unable to get here and would like a visit, please call me, Annette, at 978-399-2326. We are here to serve you.

KEYSAFE COMES TO WESTFORD

This program with the Fire Dept. has been a huge success with over 25 lock boxes installed at senior’s homes. If you live alone, have medical issues or frequently need to call 911 then you are a candidate for a key safe lock box. The box is installed on the outside of your home and it has a keypad with a code to access a key inside the box. The fire dept, your neighbors and family can have the code to prevent damaging your home to enter in an emergency. For more information about the program call Annette at 978-399-2326.

ELECTRIC SUPPLY CO INFO – LOW RATES!

Corrected Information from April Newsletter

The town of Westford joined with 22 other communities to obtain a low rate from the electricity supplier Public Power. National Grid will continue to deliver your power, but Public Power will be listed as the supplier on your bills unless you have a contract with another company. This 3-year contract is from 1/1/18- 12/31/20 and the corrected rate is $0.10430/kw. To possibly sign up for the program call 1-844-627-7232 and for more information visit www.masscea.com. You may also call Annette at 978-399-2326.

RED DAY

Much thanks to our local real estate agency, Keller Williams and coordinator Fred Baumert, for hosting a spring cleanup date for a few of our local senior residents. This type of community outreach makes Westford a very special place.

CRITICAL HOME REPAIR PROGRAM

This is a program coordinated by Habitat for Humanity to help low income homeowners to maintain their homes. Repairs can include roof replacement, structural walls, handicap accessibility renovations, exterior finishes, repairs to satisfy town building codes etc. The homeowner is responsible to pay only 25% of the project value and if necessary a 2-year interest free loan can be obtained. Call Lisa Garvey at 978-692-0927 if interested in this assistance.

ORGANIC VEGETABLE DISTRIBUTION – Start date to be determined

We are excited to have our relationship with Gaining Grounds of Concord once again offering their organic produce to all Westford residents that meet income guidelines. (Fuel assistance criteria). To participate one must sign an income attestation on the day of produce pick up. This distribution is held at the Westford Housing Authority at 65 Tadmuck Road in the Community Center. Because this program is so desirable people often arrive early so we will pass out numbers starting at 12:30. The freshly picked vegetables will be distributed at 1:00. Distribution will begin late May or early June and continue into the fall. Any questions call Annette at 978-399-2326.

MASS. EQUIPMENT DISTRIBUTION PROGRAM: June 10, 10:00-11:00

If you are a Massachusetts resident with a permanent disability, you could be eligible for the MassEDP program. This program provides specialized telephone equipment to people with vision and/or hearing impairment at little or not cost. A representative will be here on June 10th to display the telephones and accept applications. You may also visit www.mass.gov/massedp for more information or call 1-800-300-5658. Please register to attend this program at 978-692-5523.

**From our very own Peter Cina**

**Enrich Your Retired Life**
Do you have time on your hands? Do you spend most of it at home? Is life losing its luster for you? A very simple way to enrich your life is to volunteer. That’s right, volunteer! The world and even our local communities are full of volunteer opportunities. Some of these may require specialized skill sets, but most don’t. Most require only your time and your presence. If you think you don’t have time to volunteer, think again. You almost certainly do. For example, I volunteer at a school in Lowell, in a prison, and in a furniture bank, among others. These take about 14 hours a week. I still have plenty of time to do various things I enjoy, and spend time with family and friends. Why volunteer? For me – 2 reasons. One, I like to help. I’ve been fortunate in my life and like to give back. It is nice to feel needed. Two – my volunteering enriches my life. I think that many people who don’t volunteer imagine that volunteering takes away from their personal life. This is not true. Every one of my volunteer activities adds to the quality of my life. I would not do them if they did not. The way my life is enriched by them is different for each one, but there is one thing they all have in common. They improve my outlook on life. We all watch, read, or listen to the news almost every day. 85% - 90% of what we hear about the news is tragic, sad, criminal, or violent. It shows us the worst that people do and the way our institutions fail us. Listening to this day in and day out, month and year after year, it is easy to feel cynical and develop a pessimistic world view. It is easy to think that the world is going to hell in a handbasket and that everyone is just out to get what they can for themselves. But, through volunteering, I come into regular contact with good people who are doing good things. It counteracts the negativity of the news and allows me to have a more upbeat and balanced view of the world. I can honestly say that things I observe in the school in Lowell have given me more cause for optimism than anything else I’ve seen in years. Volunteering can do the same for you. In short, my message is this: if you are not volunteering, you don’t know what you are missing!”
