A message from our director:

Exciting funding news….

The Cameron recently learned we were selected as recipients of two donor advised funds: Westford Family Funfest and Westford Community Fund administered by the Greater Lowell Community Foundation. This grant funding will bring two program opportunities to our center which will include a Cameron Lifelong Learning Series which will offer a range of educational and enrichment courses that will be led by credential and/or experienced teachers. We are looking forward to rolling out this program in January 2020 with some new and varied class opportunities relating to sociology, history, cultural arts, wellness and if perhaps you have other subjects of interest please share with Katie Russell or Annette Cerullo who both coordinate our day and evening programs. These series of classes will have a nominal fee to participate. Also, we are excited to partner with Middlesex Institute For LifeLong Learning aka MILES sponsored by Middlesex Community College in hopes to bring additional classes, concerts, speaker for Cameron participants to partake in at their Bedford campus with complimentary van transportation.

Lastly, many of you will remember the community breakfast at First Parish Church which featured guest entrepreneur and author William Cummings speaking on his recently released book, “Starting Small and Making It Big.” Since we had such a positive response to community breakfast event we are going to make it an annual tradition and COA fundraiser thanks to this funding sponsorship. This year’s, “Annual Community Breakfast Begins” Annual Community Breakfast will feature one of Westford’s very own Nancye Tuttle a very successful staff reporter of thirty-six years with the Lowell Sun newspaper. Nancye will speak about some of her most poignant and memorable interviews as a newspaper journalist and now editor of The Weekender. So, mark your calendar for Wednesday, October 16th at 8:30 AM and more information will follow.

In closing on a more personal note, I would like to thank Patti Mason, founder of the Westford Family FunFest and Westford Community Fund for making these funding opportunities possible for her strong supportive commitment to the Cameron and her fondness for the many participants we serve daily.

FINE ART ON THE WALL FOR SALE:
Moving into a new home or re-decorating a room? Need different art on your walls to reflect your changing mood? The Friends have acquired a wonderful selection of pre-owned fine art, including many original paintings, signed by the artists. We’re offering these for sale, with all proceeds to benefit the Cameron. The art will be displayed on the wall in the Welcome Area, near the Multi-purpose Room. We’ll rotate these periodically, so our décor will change and visitors can purchase anything they like. What a fun way to enliven the Cameron with a change of art décor and raise funds at the same time!

HOUSING *Important Information*
Just a friendly reminder that affordable housing is very hard to find in Westford and the surrounding communities. Senior subsidized housing has an estimated 3-5 year waiting list for in town applicants. Market rate rentals are not affordable for many seniors. So, please think ahead and consider putting yourself on waiting lists early if you think there is any chance that you will need this type of housing in the next 5 years. There are several new apartment complexes in the permitting and building process that will have “affordable” units by lottery. If you are interested in receiving information on these buildings and lotteries as we receive it, please call Alison at 978-399-2325 to be put on an email list.
