A message from our director:

Low Income Housing Progress Supporting
Towns Older Adults and Disabled

For the past two years with much support from our COA Board we have made some important strides in helping bring more awareness to the need for additional very low to low-income housing in town. Within the last ten years there has been no housing targeting residents living below the 50% of the area median Income based on HUD guidelines. Recently HUD released the 2019 Income Limits for Affordable Units and for Westford Income-eligibility for low to very low income are as follows:

**Household Income at 30% of AMI:**
- 1Person is $22,650
- 2 Person HH -$28,500
- 3 Person HH-$29,100
- 4 Person-$32,300

**Household HH Income at 50% of AMI:**
- 1 person is is $37,700
- 2 Person HH-$43,050
- 3 Person HH-$48,450
- 4 Person HH-$53,800

*With the increasing need* for additional low to very low-income housing our COA Board and staff have been advocating for two projects which include 21 and 23 Carlisle Road and The Helena Crocker Residences. These housing projects are steadily making traction as they move through various Town Boards and funding processes. The development is a 17-unit, age restricted (55 years or older) market rate condominiums coupled with a supportive housing cottage structure which supports seven efficiency style residences for persons 62 and over having income less than 50% of the AMI. The supportive housing portion of this project will help meet a critical need for housing older adults at risk for homelessness and/or in need of supportive housing. This project was recently granted funding from the Affordable Housing Trust I/A/O $175,000 with some protective stipulations. As one of the several COA representatives that attended the AHT meetings we were thrilled with the funding decision the Trust. Our COA will continue to monitor and keep you informed on the positive movement of this project being developed by Scott Clark. As our COAs continues its effort to help reduce our five year+ waitlist for low income housing and ten plus year rate for disabled family housing in Westford we are optimistic with also the new housing development The Helena Crocker Residences located at 60 Littleton Road. This project solely will address the additional need for very low to low income housing by providing eighteen units (age restricted 62+) targeting incomes of 60% of AMI or less which twelve of those units will be for those at 50%of the AMI (1P-income: $22,150 or 2P-income: $25,300 or below). This project is being spearheaded by David Hedison, Executive Director of the Chelmsford Housing Authority. Lastly, our COA Board voted to submit a letter to our Town Manger asking her to let the newly appointed Town Farm Committee know our COA’s interest in acquiring the Town Farm property for low income housing and possible relocation of the Westford Food Pantry. COA Board members, Town social worker, Westford Food Pantry Board Members joined me in a productive meeting with newly appointed Town Farm Committee members sharing our interest in conveying this property to our COA in an effort to better support our residents who struggle financially.

We are excited about this movement in town that is looking again at how we can ensure our more financially vulnerable older adults and disabled families can remain a viable part of this community. If you would like to learn more about these projects and share your support please reach out to our COA Board, Alison Christopher, Town social worker and/or myself and we will be glad to get you involved and/or simply keep you better informed.

Sincerely,
Jennifer

WHAT IS OUTREACH?
By: Annette, Outreach Coordinator
According to the National Institute on Aging, research indicates that seniors who are active, social and have a purpose in life significantly lower their risk of mortality from heart disease and diabetes by 60%! Come check out the Cameron’s multiple offerings like the well-equipped fitness room, 8 weekly fitness classes, watercolor classes, golf, book club, ping pong, and more. Reap the health benefits! Feel free to contact Annette, your Outreach Coordinator anytime at 978-399-2326.

ORGANIC VEGETABLE DISTRIBUTION – GAINING GROUND, 12:30 every Thursday
We are excited to have our relationship with Gaining Grounds of Concord once again offering their organic produce to all Westford residents that meet income guidelines.
To participate one must sign an income attestation on the day of produce pick up. This distribution is held at the Westford Housing Authority at 65 Tadmuck rd in the Community Center.
Because this program is so desirable people often arrive early so we will pass out numbers starting at 12:30. The freshly picked vegetables will be distributed at 1:00. Distribution will be every Thursday into the fall.

KEY SAFE LOCK BOX PROGRAM
so important in Wellness Checks and other critical situations
This program with the Fire Dept. has been a huge success with over 25 lock boxes installed at senior’s homes. If you live alone, have medical issues or frequently need to call 911 then you are a candidate for a key safe lock box. The box is installed on the outside of your home and it has a keypad with a code (you set) to access a key inside the box. The fire dept, your neighbors and family can have the code to prevent damaging your home to enter in an emergency. For more information about the program call Annette at 978-399-2326.

T.R.E.A.D.
Applications are available at the Senior Center and will be DUE ON AUGUST 1st.
Tax Relief for Elderly and Disabled is a donation funded program for property tax relief. Applicants must be 65 years or older OR have a state recognized disability; and must own and occupy their home. The T.R.E.A.D. Committee will meet to determine awards in December 2019. If you have any questions about the program or need application assistance, call Alison Christopher, LICSW at 978-399-2325 or Annette Cerullo at 978-399-2326.

Dementia Friendly Westford Committee
Our group is open to anyone who is interested in helping the Town of Westford to be more friendly for people with dementia and their care partners. We will be continuing to work on our website content and discussing ways to engage the business community in town. RSVP to Alison at 978-399-2325 if you’d like to join or be added to our email list.

Housing  *Important Information*
Just a friendly reminder that affordable housing is very hard to find in Westford and the surrounding communities. Market rate rentals are very expensive. Senior subsidized housing has an estimated 3-5 year waiting list for Westford applicants. Subsidized housing for younger families or people with disabilities under age 60 has a 10+ year waiting list. So, please think ahead and consider putting yourself on waiting lists ASAP if you think there is any chance that you will need this type of housing. There are several new apartment complexes in the permitting and building process that will have “affordable” units by lottery. These are not Westford Housing Authority buildings and are open to folks of all ages. The best time to apply is at the initial lotteries when all affordable units are vacant. If you are interested in receiving information on these buildings and lotteries as we receive it, please call Alison at 978-399-2325 to be put on an email list.
