

# TOWN OF WESTFORD Highway Department

RICHARD J. BARRETT, JR.  
HIGHWAY SUPERINTENDENT

Town of Westford  
TreeWarden  
NOTICE OF PUBLIC HEARING

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Westford Tree Warden will hold a Public Hearing regarding an application from National Grid to remove or prune public shade trees on **Tuesday, December 17, 2019 at 7:35 p.m.** at the Westford Town Hall, Upstairs Meeting Room, 55 Main Street, Westford, MA. Any person interested or wishing to be heard on this matter should appear at the time and place designated.

The program included a tree-by-tree hazard assessment/enhanced vegetation management of public and private trees, along the main three-phase lines which serve the community. The work is recommended to remove hazard trees and prune for additional clearance to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified eighty-six (86) town-owned trees for removal along town roads, and four (4) town trees for pruning. Town trees located within the public way that are designated for removal have been posted with a notice of public hearing in the field. Trees designated for pruning have been marked with a small blue ribbon.

The roads with town trees affected by the program are Bridge Street, North Main Street, North Street, Groton Road, Millstone Hill Road and Summer Village Road.

A complete list of town trees designated for removal or pruning, including information about the location, size and species of the affected trees and the reason for work proposed, is available weekdays, during normal business hours, from the Town Hall and the Westford Highway Department, 28 North Street, Westford, MA 01886. Please contact the Westford Highway Department at 978-692-5520 regarding any inquiries.

Richard J. Barrett, Jr., PWLF  
Highway Superintendent  
Tree Warden
