To Whom It May Concern -

We are writing in regards to the Kirsi Circle & Douglas Road Watermain Replacement Project as we are unable to attend the remote meeting set for tonight.

We support the original plan for sidewalks to be installed on both sides of Kirsi Circle going from Main St to Douglas Road. We do not support additional town funds to install sidewalks on Douglas Rd or on Kirsi Circle past Douglas.

Thankfully, our neighborhood is not a "pass through" street and receives very little traffic, mostly just residents. Pedestrians and bike riders alike can travel safely on the two streets as is.

I'd rather see town funding go towards sidewalks on busier streets where it is a lot more dangerous for pedestrians and casual bike riders.

Respectfully,
