RE: Request to approve Mental Health Awareness Month Proclamation

---

**Motion: The Community Wellness and Health Departments request the approval of the Mental Health Awareness Month Proclamation by the Select Board.**

We are hoping the board will approve the proclamation to support our efforts in bringing Mental Health awareness to the Westford community and helping reduce the stigma associated with Mental Illness. The Community Behavioral and Mental Health Committee approved the Proclamation at their April 24, 2023, committee meeting. If approved, the proclamation will be shared during the May 1, 2023, Mental Health Awareness event at the town common.

The proclamation is included in the Select Board 4/25/2023 packet.
