

How to Recycle Most Everything

Printer-Friendly Version

In addition to the Westford Curbside Recycling program that is provided to Westford residents, the Westford Recycling Commission provides here within a detailed list of "other ways and methods" to "recycle and re-use" items that should be handled and disposed of properly and/or provided for other uses, as an alternative to placing items in the trash.

These items are not included in the Westford Curbside Recycling program and please do not leave these items out for curbside recycling pickup. See the Curbside Recycling page for items that can be left out for the curbside recycling program and follow the recommendations listed below, to keep unnecessary items out of the waste stream and utilize "best-practices or green" methods of disposal.

We appreciate your support; your thoughts, comments, suggestions are welcome!

Please Note: The companies and services listed here are for reference only and are not specifically endorsed by the Westford Recycling Commission.

Household Hazardous Waste

Westford Household Hazardous Waste Collection: Please see our website for events and schedules.

- Westford typically holds a Household Hazardous Waste Collection Day every two years - Westford residents only; proof of residency required (driver license, phone bill, etc.). Fee: \$20/car. New payment policy - CHECKS PREFERRED made payable to "Town of Westford"; residents are encouraged to work with neighbors to consolidate volume. Please call the Town Hall for collection date/site/hours; 978-692-5515.
- **Minuteman Household Hazardous Waste Collection** – Lexington; <http://ci.lexington.ma.us/dpw/hhhwfacility.cfm> Holds FREE collections on selected Saturdays during the months of April to November from 9am-2pm for those residents in the consortium of "participating communities." Westford is not a member of this consortium; however, both residents and businesses of Westford may participate on a fee basis (itemized at the Lexington website). Small businesses with small volume of hazardous waste drop off are encouraged to first contact Clean Harbors (781-380-7121) to receive confirmation of items/quantities of items CH will accept on chosen date. For more information: Board of Health, Town of Lexington; 781-862-0500. Directions: Exit 31 off Rt. 128 South (Rt. 4/225) towards Bedford. Take a right at first light onto Hartwell Ave. via jug handle. Site is 1/4 mile on the left just after the bike path at the composting

facility, 60 Hartwell Avenue.

- **Clean Harbors** - 1 Hill Ave (off Quincy Ave), Braintree; 781-380-7175; www.cleanharbors.com. Accepts small amounts of residential household waste materials and products every Saturday from April 1 to October 31; 9am-noon. There is a fee. No fire extinguishers or cylinders of any kind.

Leaves & Grass Clippings (Yard Waste)

Westford Yard Waste Collection in the Fall: Please see our website for events and schedules

To register for a pickup, please call the Westford Town Clerk's office at [978-692-5515](tel:978-692-5515). Place your leaves, grass clippings and pine needles into brown paper leaf bags and have them at the curb by 7am on those days. Leaves will not be picked up if they are not in brown paper leaf bags. You pay Acme directly by attaching a check payable to Acme Waste Systems to one of your leaf bags on the collection day. There must be a minimum of 50 resident requests to insure the yard waste collection is held. Please tell your neighbors!

- Please Note: Leaves may not be burned. Use mulching mower for light leaf cover that produces clippings that will decompose and fertilize the lawn.
- Use clippings and leaves as mulch around trees and shrubs. Leaves are nature's own choice for mulch. Many web sites offer tips on how to use clippings as mulch.
- Compost leaves and grass clippings. The resulting compost can be used to fertilize trees, shrubs and gardens. Discounted compost bins are available from a Recycling Commission member (978-692-5483).
- See the Mass DEP Composting page for more information; <http://www.mass.gov/dep>.
- Other options for Westford residents to take their leaves are listed below:
 - **Red Wagon Landscaping** - 20 Oak Street, Chelmsford; 978-250-9866; www.redwagonlandscaping.com. Average fees are \$100-125 for curbside pick-up, includes disposal.
 - **Jones Farm** - 246 Acton Rd (Rt. 27), Chelmsford; 978-256-8065; www.jonesfarm.net. Call for current dump opening hours. Only accepts Jones Farm leaf bags at \$3 each that must be purchased at the Farm. Call for large quantity drop-off rates. Pick-up available.
 - **BMC Corporation** - 1079 South St., Tewksbury (composting site); 781-273-0398 or 978-667-2171; www.tsoil.com (M-F 7am-4pm, Sat. 7am-noon). Plastic bags are not accepted but can be emptied; biodegradable bags can be left. Leaves and grass clippings drop-off charge is \$10/yard. Small brush is \$15/yard.

Tires

Central Massachusetts Mosquito Control Project: In recognition of Earth Day 2010, a tire collection and recycling program has been launched as a value-added service to member communities. This "source reduction" technique of the Integrated Pest Management Program (IPM) aims to reduce breeding habitats for mosquitoes, prevent the transport of eggs/larvae/pupae, and impede the potential introduction of species into new areas. Tires accepted for this program will be sent to an approved facility for recycling or disposal at no additional cost to residents or member cities or towns. For the latest information on this collection project: www.cmmcp.org/tires.htm or call Tim Deschamps at 508-393-3055; M-F 7am - 3:30pm.

- **FBS Tire Recycling** – 978-772-4251; 256 Ayer Rd., Littleton; M-F 7am-4pm; Sat. 8am-noon. Accepts any number of car and light truck tires (call for current fees); pay with cash, check, or credit card.
- Check with tire installer/vendor about recycling policy when replacing/purchasing new tires. This is the best time to recycle.

- **Atlas Recycling** - Monthly curbside pickup. Pick-up is every third Saturday year-round, dependent on holidays. Fee: \$30 per item, cash or check only; stickers available at Town Clerk's office.

Tyvek Mailing Envelopes

Tyvek mailing envelopes are made from #2 plastic and are not collected at curbside. No local recycling program is available. Must be

placed in normal trash.

- How to distinguish Tyvek envelopes from paper: Tyvek envelopes are as thin as paper, usually white, with a soapy smooth rice paper-like finish. They are identifiable because they are almost completely indestructible. Often the envelope will say Tyvek or #2 plastic, but not always.

Umbrellas

Remove the fabric and bring the metal frame to a steel recycler. Some umbrella manufacturers, (example: Totes brand - see [website](#) for details) have a lifetime warranty against defects and may be mailed back for a small postage fee for replacement. For other major brands, check their website for warranty policies.

Vinyl LP Records (useable - see Books)

Unusable vinyl records may not be recycled curbside. Place in the trash.
