## **COVID-19 VACCINATION UPDATE** **January 25, 2021**

The Westford Health Department is currently working on plans to best vaccinate the residents of the community against COVID-19. It is very important to us that we keep you informed about all future vaccination clinics.

We are working with the Massachusetts Department of Public Health to apply for and secure vaccine for the community. In mid-January, the Health Department staff worked and assisted planning a regional clinic to vaccinate first responders with the first dose of vaccine. This is a two-part series that will require a second clinic a month after the first one.

The Westford Health Department does not have vaccine at this time. We anticipate getting access to vaccine in February. We will make an announcement when the vaccine is available through the Town and Health Department's website pages. We will send out the information through WestfordCAT and on our Facebook platform page.

If you are interested in receiving text or email notifications regarding when "COVID-19 Vaccination Clinics" in Westford are available, then please sign up at <https://westfordma.gov/>.

1. Click on the "Notify Me" (maroon box) on the town's main webpage.
2. Add your email address to the Notify Me webpage.
3. Click "Sign-in".
4. Scroll down to News Flash.
5. Click the email and/or text icon beside the COVID-19 Immunization Clinics; the icon should turn green.
6. An email will be sent to you.
7. Open the email and click confirm.

You can find details on the set phases and when you'll be eligible on the Department of Public Health's websites:

- <https://www.mass.gov/info-details/massachusetts-covid-19-vaccine-information>
- <https://www.mass.gov/info-details/covid-19-vaccination-program>

You can also find information on the COVID-19 vaccines and their ingredients at the Center of Disease and Prevention (CDC) website. <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/index.html>

While you wait for your COVID-19 vaccination – and even after you get your vaccine – please continue to protect yourself and others with the proper safety measures. Please **continue to wear a mask, stay at least six feet away from people outside your household, and wash your hands often.**

Please stay tuned for more updates..... The Westford Health Department
